My palace is on top of Mount Olympus
so I can view the world.
That way I can govern it fairly.

Before I was born, Rhea, my mother, had given birth to many children for my father, Cronus. But none survived.

I wouldn't have survived either if my mother hadn't hidden me!

I am Zeus,
the father
of all gods and
humans.

My palace
is on top of Mount
Olympus so I can view
the world. That way
I can govern
it fairly.
