# HERCULES

## THE FIRST LABORS

 **MINOAS**  
EDITIONS

I am Hercules.  
The goddess Hera wanted  
to punish my father, Zeus.  
So she planted seeds of  
madness in my mind  
and hurt my family.

The  
Oracle of  
Delphi advised  
me to...

...perform  
twelve labors that  
I, Eurystheus, the  
Mycenaean king,  
will ask of you.

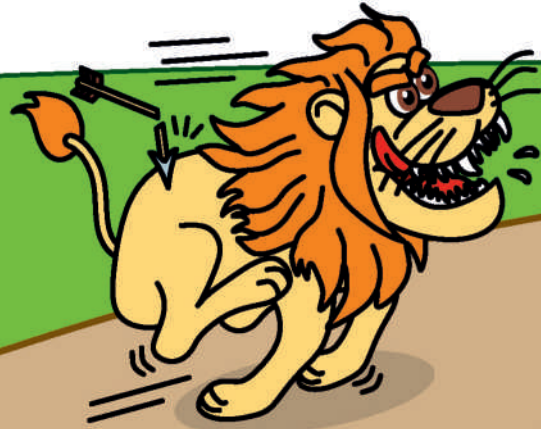

# THE NEMEAN LION

There lives a terrifying lion in Nemea. I must do the impossible and kill it! This is my first task.

My arrows and sword were useless against its thick skin.

So I decided to choke it instead!
