THE MYTH OF THE OLIVE TREE

 **MINOAS**
EDITIONS

Back then, the gods of Olympus would each guard a new city and keep it under their protection.

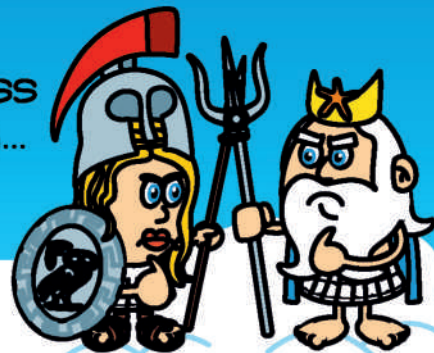

I am Cecrops,
the first king of
a famous city
founded 3,000
years ago.

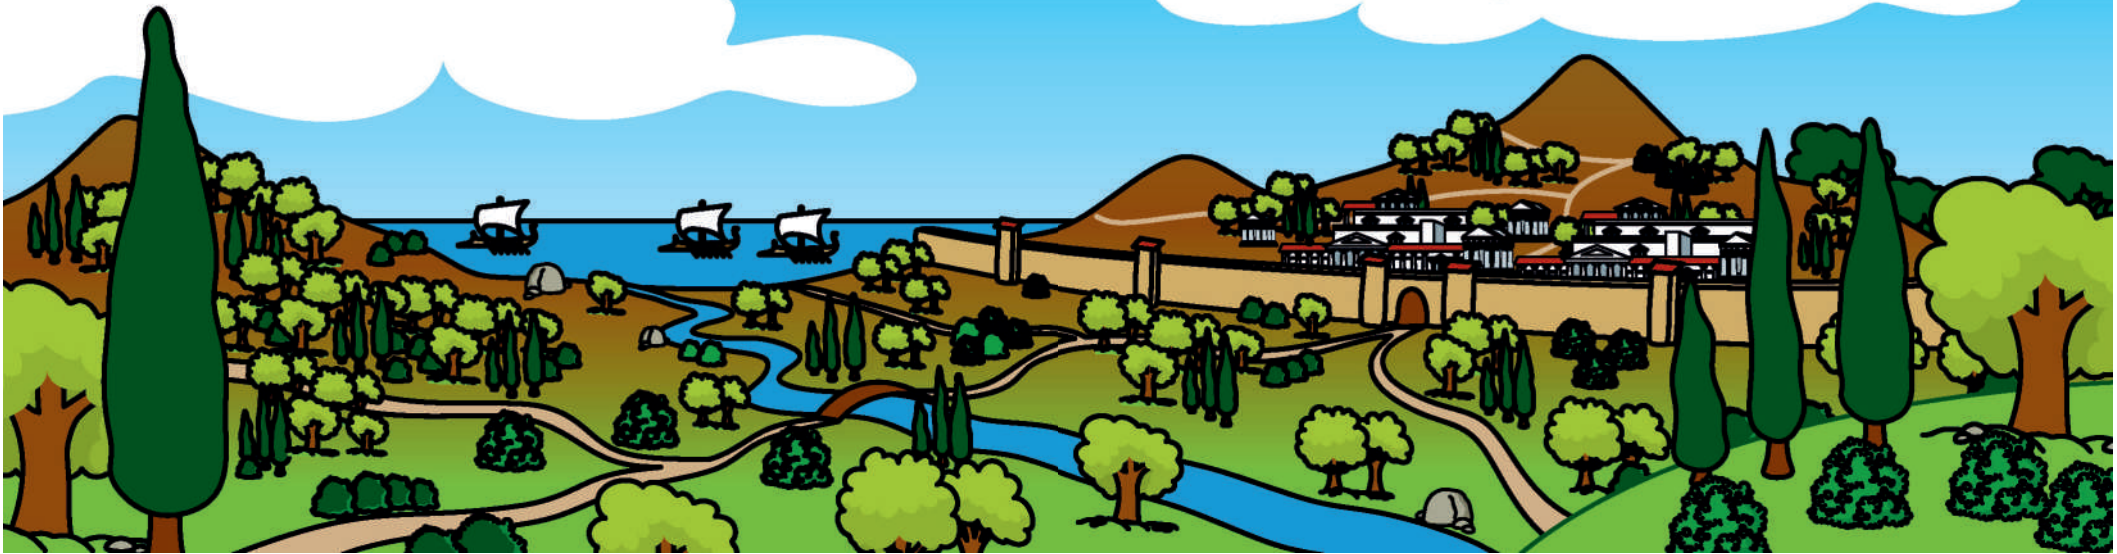

My city was by the sea,
surrounded by mountains, hills and rivers.
It was beautiful.
This resulted in two gods fighting over it!

Athena,
the goddess
of wisdom...

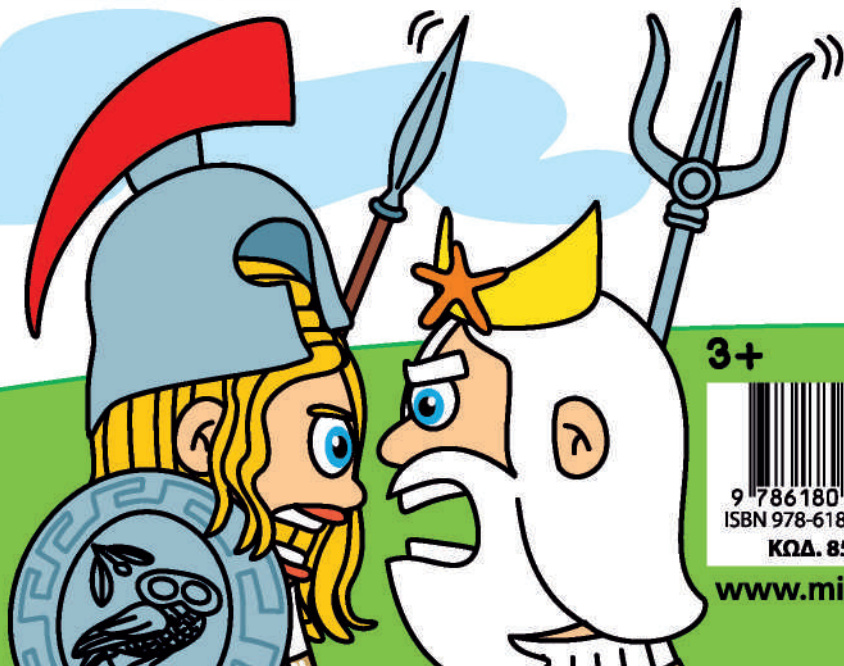

...and
Poseidon,
the god of
the sea.

7

A showdown between
two gods with a city
as the prize.
Who will be the winner?
