SOTIRIS MITROUSIS

PERSEUS AND MEDUSA

 **MINOAS**
EDITIONS

I am Perseus.
My grandfather
is Acrisius, the
king of Argos.

A prophecy warned him that
his grandson would become king
after killing him!

He feared for his life so he imprisoned his daughter, Danae. That way no man could ever reach her.

However... Zeus, the king of the gods, managed to reach her by transforming into golden rain and dripping into her room. That is how I was born as the son of Zeus.
