HERCULES

A BORN HERO

 **MINOAS**
EDITIONS

I am Hercules,
son of Zeus
and Alcmene.

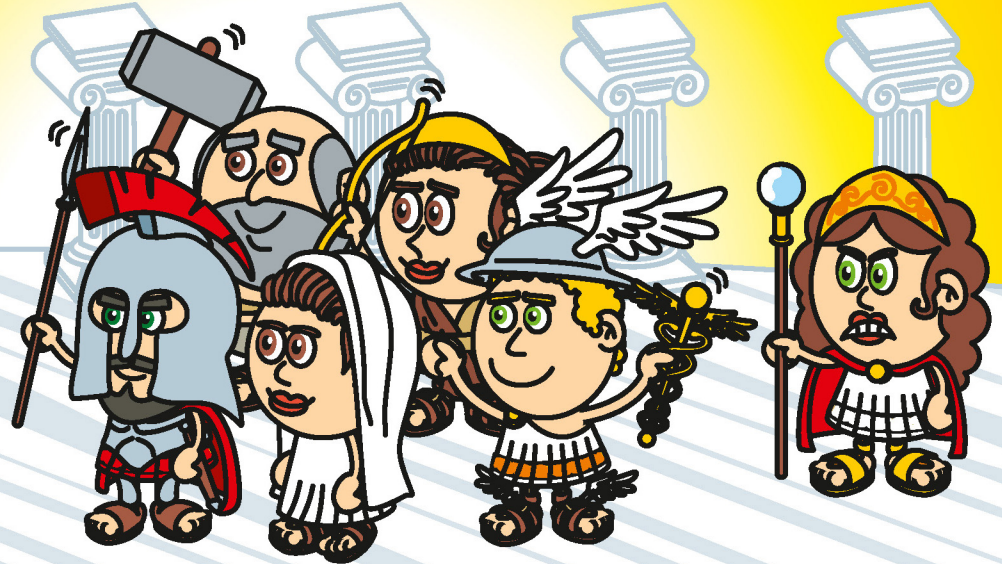

My father is the leader of the gods.
He knew I would become a great king
even before I was even born!

All the gods were happy
with his prophecy except for the jealous
Hera, Zeus's wife.

She immediately suspected
that I was his son, so she decided
to do me harm.
